

ResourcePoint (v.1)

The RESOURCEPOINT tab is used to assist in finding providers that offer services that match the specific needs of a client. If a provider cannot provide a needed service to a client, RESOURCEPOINT can be used to find a provider that has the program that can meet the needs of the client.

EXAMPLES:

One provider match was found, Ruth Meiers, using the following search criteria: %All+providers in the city of %Bismarck+who serve %Single Mothers+

The screenshot shows the ResourcePoint interface with the following search results:

Name	Type	Phone	Location	Last Update
Ruth Meiers	Level 2	701-222-2108	Bismarck, North Dakota 58501	Aug 23 2007 12:21PM
Ruth Meiers - ES	Level 3	701-222-2108	Bismarck, North Dakota 58501	Aug 20 2007 05:57PM
Ruth Meiers - PSH	Level 3	701-222-2108	Bismarck, North Dakota 58501	Aug 20 2007 06:04PM
Ruth Meiers - TH	Level 3	701-222-2108	Bismarck, North Dakota 58501	Aug 20 2007 06:01PM
